- Check the general conditions of this campaign here: [GENERAL CONDITIONS](#)
- If you want to take exams for programs in which you are already enrolled and, additionally add a new program with a multiple-choice test in which you are not enrolled that you are not enrolled in, you will have to make two payments: a first payment and, 24 hours later, make a second payment choosing the program(s) you wish to add to your programs you wish to add to your training with multiple-choice exam.
- The Spanish for Business exam will always be taken independently from the rest of your studies.
- If you wish to take a single exam for various study programs belonging to different types (such as Masters, Postgraduate courses, or Higher Education Courses), you will need to make a payment for each type of program from column 1. Although a payment is required for each category, in these cases, you will only need to take one exam that covers all the selected programs.
- Remember that if you need to make more than one payment, our system only allows payments with the same email account every 24 hours. This means that to make a second payment, you will have to wait 24 hours after the first one and use the same email account for both payments.
